

It is the objective of The Waterloo Running Series to offer fun, safe and healthy events for runners, joggers, walkers and families of all ages and abilities, while promoting community responsibility to local charitable and non-profit organizations and their causes.

Since 1998, thousands have participated in The Waterloo Running Series with over \$1,000,000 being donated back in to our community. We offer an opportunity for fitness, friendship, and family fun, and hope you will join us in 2015.
